Beerburrum and Beerwah State Forest Guide
UNOFFICIAL OPERATOR'S MANUAL

www.beerburrumstateforest.com.au

Practical planner

Packing, last towns, dogs, fires, Coochin Creek booking Plan B. Not independently walked. Verify with QPWS and HQPlantations.

Not official. QPWS owns live park conditions. HQPlantations owns the pine estate. This sheet is not open/closed. Emergencies: 000. QPWS bookings: 13 74 68 (theirs).

Before you leave

- Open QPWS park alerts and HQPlantations closures.
- If camping: book Coochin Creek before you drive. Display your tag.
- Fuel and food: Beerwah, Landsborough, Glass House Mountains township, Caloundra or Caboolture.
- BYO drinking water. On-site water at Coochin Creek is unsuitable for drinking.

Pack

- Drinking water
- Insect repellent (mosquitoes and sandflies)
- Fuel stove — open fires only in rings when bans do not apply
- Clean-milled firewood if you will use a fire ring — illegal to collect wood from the forest
- Rubbish bags — bins are not provided
- Booking confirmation / site tag
- Offline map

Dogs

- Coochin Creek camping and day-use: **domestic animals are not permitted**.
- Do not treat this like a NSW free first-come forest camp.
- Glass House Mountains National Park is a different map (typically no dogs on summit walks).

Camping

- Coochin Creek: 19 numbered sites, booked and paid, 2pm–11am, 21-day cap.
- If you did not book: Beerwah / Landsborough / Caloundra / Caboolture bed — not the day-use grass, not the lookout picnic.
